

iWN Tutorial

For Members of 3-column exchanges

How to email yourself your password

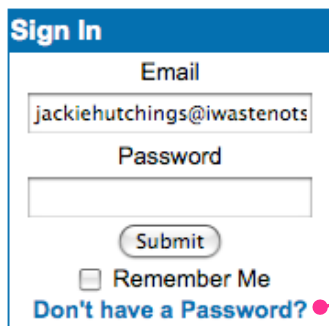

Introduction

How to email yourself your password. This tutorial is for members of 3-column exchanges.

If you do not remember what email address you used when you created your account you will have to contact the exchange administrator using the link in the 'Exchange Info' pane.

Step 1: You registered but forgot your password

The image shows a 'Sign In' form with a blue header. It contains two input fields: 'Email' with the text 'jackiehutchings@iwastenots' and 'Password' which is empty. Below the fields is a 'Submit' button, a checkbox labeled 'Remember Me', and a blue link that says 'Don't have a Password?'. A pink callout bubble with the text 'CLICK HERE' has a line pointing to the 'Don't have a Password?' link.

Step 2

Don't Have a Password?

Please choose one of the following:

To become a member of this exchange and create listings:

- [I want to Create an Account](#)

If you have registered already but need your password:

- [E-mail my Password to me](#)

If you think you created an account, but your password did not arrive:

- [Did my account get created?](#)

To contact the Administrator for further help:

- [Princess Supertester](#)

Please Note: Sometimes our password emails are blocked by spam filters or other problems.

To confirm your computer setup meets the technical requirements for this web site: [Technical Requirements](#)

Step 3

Forgot Password

Enter your e-mail address below to receive your password:

*Email:

Enter your email address and click submit

Submit

Step 1: You did not receive your password

Please Note: Sometimes our password emails are blocked by spam filters or other problems.

To confirm your computer setup meets the technical requirements for this web site: [Technical Requirements](#)

Step 3

Check Account

Email is not always immediate. Please allow ten minutes for a password to arrive.

However, sometimes our password emails are blocked by spam filters or other problems.

If you think you successfully created an account, but your password did not arrive, please enter your e-mail address below and we will check to see if an account has been created for you.

*Email:

Submit

Enter your email address and click submit

Step 4

Account Found

Thank you, you did create an account with that e-mail address.

Perhaps the email is being blocked by a spam filter or junk mail folder. We can try to **send the password** to you again.

If you still do not receive a password, please contact the administrator, [Princess Supertester](#).
